Lido Isle Hall Chest

Barclay Butera Lido Isle Nail head Hall Chest. an intriguing overlapping sunburst pattern of decorative nail head trim. At 54-inches wide, the silhouette makes a strong design statement while offering generous storage. Behind the doors are 4 adjustable shelves and grommets in the back panel for wire management. The piece is available as shown in the Sandstone finish or also in Sailcloth as 921-973. The raffia door panels will be in the Sandstone finish in both cases.
