Carmel Ridgewood Arm Chair

The Barclay Butera Ridgewood dining chair offers a striking contemporary look with its slightly tilted and curved wooden back adding comfort and support. We selected a burnished leather in a tan coloration, leather 906041 Crespi, which pairs handsomely with the winter white and camel undertones of the wood finish. And yet, the design is also available in your choice of custom fabric or leather. Shown here in 5572-11 Grade 6
