Clayton Leather Cocktail Ottoman

The 41-inch square Clayton cocktail ottoman offers a dramatic alternative to the traditional cocktail table. Not only does it provide additional seating, it accommodates the layering of another textile pattern or colour to the space. The contemporary design will update the look of any room. Note that the finish on the wooden base may be customized. This ottoman is available in fabric or leather. Shown here in 9004-11 Grade 2 with Charcoal Finish base
