Connery 30 inch Ring Chandelier in Bronze

A versatile range that showcases sleek minimalism, the Chapman & Myers Connery series brings classic architectural elements to modern lighting. Available as both flush mount and chandelier styles, the designs showcase a statement metal ring, trimmed on the top and bottom edges, illuminated by LED light reflected on the inner surface. Contemporary and jewelry-like, these pieces will lend a sophisticated touch to homes, from living and dining rooms to kitchens, bedrooms and entryways.
