Southampton Smoke Lamp

Southampton is part of our designer lamp collection. Accented with solid brass, the flower bulb shaped porcelain lamp is finished in a translucent crackled smoke/Gray glaze. Natural highlights in the glaze are part of the design. These are not perceived as imperfections, but part of the rich patina of the lamp. Includes aged brass finished metal ball finial. Shade: Hardback drum shade with soft rolled edge. 18" x 20" x 13"SH. Ivory polyester fabric. Brass spider.
