Cromwell

Drake Large Gold Lucite Pedestal

Modern lucite tops that interlock on the metal frame make this pedestal set stylish and functional. The 25" pedestal is perfect used as an accent table next to a chair.
The tall pedestal at 40" high is highly prized when used in pairs with temple jars in a foyer, or for the one great piece of sculpture that will set off a room.

All metal gold leaf finished frames. 1" thick interlocking lucite shelf. Sold as a nested pair for shipping.
