Braganza Green Hexagonal Lamp

The colourful green adaptation of a classic Indian chintz resembles linen printed fabric with exotic floral and fauna. Catherine of Braganza, queen of King Charles II of England, brought Portuguese trade routes to the British East India Company, spurring fascination with such Asian goods and fabrics.

As part of the WILLIAMSBURG collection, Braganza is a classic and colourful pattern that is produced on lighting and accessories.

The lamp features multiple colour tones of green with aged brass hardware. Hexagon shaped Lucite base. Metal aged brass finished ball finial. Shade: 13" x 17" x 11"SH. Empire softback shade with single fold trim. Off white polyester fabric. Brass spider.
