Cromwell

Green Mill Reef Centre Basin

The timeless painterly quality comes to life in a pattern that calls to mind an animal print. Originally painted by Madcap Cottage designer John Loecke, Mill Reef is one of our favorite and best selling patterns. Under the Madcap Cottage for PORT 68 collection, the Mill Reef pattern is a designer classic.

The container or planter is made from porcelain with accents of solid brass feet. Container will hold water for your planters or floral displays.
